Dear One Goal Sports Families,

One Goal Sports would like to introduce you to an on-going fund-raiser for our organization. Jill Hall, Independent Travel Consultant with Classic Travel Connection will partner with One Goal Sports to offer vacation planning to Disney World and other places of interest. She can assist you with any of your travel/vacation plans freeing you to really enjoy your family vacation without having to be involved with the details of travel planning. In return she will donate a portion of the cost of the vacation/trip to One Goal Sports. There will be no cost involved for One Goal Sports.

Jill and her family have been involved with One Goal Sports for several years. Her son, Carter has been playing soccer with One Goal Sports for 7 years and son, Graham, has been playing soccer for 4 years. Son, Will, will begin next year. She attends all their games and will be available to assist you with your vacation planning either in person, by telephone or e-mail.

Sincerely,  
One Goal Sports
