

## ONE GOAL SPORTS - CORE VALUES

- We are here to support the local Church, not be a church.
- Within reason, we acknowledge and accommodate personal requests. (i.e.. If you and your neighbor want to be on the same team so you can carpool).
- Each team only practices one hour per week.
- Each Game Day is a fun family experience. Prayer is very important and said before each game. Parents are invited to join their child, team, and coach at midfield or center court for pregame prayer.
- Each participant is recognized equally by receiving the same amount of playing time, regard less of athletic ability. On Game Days, we often announce each child's name over the sound system. This makes each player feel like an All-Star!
- No less than one game per week and no more than two games per week, weather permitting; six - seven game seasons.
- No drafts or set teams. No league standings are kept. (i.e. 1st Place, 2nd Place, etc.)
- Each season is concluded by an Awards Celebration. On that evening, all participants receive a trophy and their pictures. Also, a guest speaker addresses the crowd encouraging hard work and faith in Jesus Christ.
- We encourage family participation as much as possible. Each team will have a Christian adult who can lead in a devotion time (this does not necessarily have to be the head coach).
- I realize that One Goal Sports promotes an atmosphere where everyone is a winner without the need to keep official score (this includes, but is not limited to; the One Goal league, coaches, coaches spouse, and/or players).
- I will do my part to promote a Christ-like environment by affirming and encouraging referees at all times.

*I understand and agree to fully comply with One Goal Sports guidelines/values as covered at the Coaches Meeting. My role in One Goal soccer is to COACH TO THE GLORY OF JESUS CHRIST!!!*
